

Lifelink Equipment

Lifelink Equipment - Living weapon (When this Equipment enters the battlefield, create a 0/0 black Germ creature token, then attach this to it.) Equipped creature gets +4/+4 and has vigilance and lifelink. : Return Batterskull to its owner's hand. Are there any cards that are black or colorless (preferably artifact, as well) that can give the equipped creature some sort of lifelink ability? While I don't need it to actually give lifelink, I'm looking for any variation that can give you life when it attacks (with other circumstances).
