

Samsung Lamp Light Blinking

Samsung Lamp Light Blinking - i have samsung tv HL-P4663W blinking the lamp light blinking then tv goes off, i bought a new lamp but the problem is not goes away. Submitted: 6 years ago. Category: TV. ... I have a Samsung DLP HL-P4663W. It is blinking lamp when I try to turn it on. I replaced the lamp, and it is doing the same thing. ...A blinking lamp light is an indication that the lamp bulb is warming up. The bulb can take up to 15 seconds to warm up and display a picture while the lamp light is blinking. Check your TV to see if other indicator lights are flashing if a picture does not display after 15 seconds.
